

NOTICE

TO: Staff, Faculty, and Parents/Guardians

FROM: Daniel Cuiffo, Maintenance Supervisor

DATE: August 2018

SUBJECT: Annual Asbestos Management Notification

This notice shall serve as the annual notification to interested parties regarding asbestos management activities performed by and for the Lakehurst School District, as required by 40 CFR Part 763.93(g)(4)(Asbestos Hazard Emergency Response Act).

The Asbestos Management documents are available for viewing by the public during normal business hours (8:00 AM to 4:00 PM) Monday through Friday at the school, as well as at the district administration offices located at 401 Union Avenue in Lakehurst, New Jersey.

The most recent mandatory AHERA periodic surveillance inspection of the school facility was performed in April 2018 by Steven Flanigan. Mr. Flanigan is accredited as a Building Inspector by the U.S. Environmental Protection Agency.

The next required AHERA inspection of the school facility is scheduled to take place in October 2018. The results of any inspection shall be presented at the next scheduled Board of Education meeting within one month of completion of the prepared inspection report. Two-hour awareness training for custodial staff and other interested persons may be performed as needed.

Notification of any planned response actions or other activities which may disturb asbestos-containing building materials shall be presented at the Board of Education meeting at least one month prior to the activity.

All questions regarding this notification or any activities related to asbestos-containing materials may be directed to the Board of Education Office at (732) 657-5751.

Thank you for your cooperation.
