The Lakehurst School District is currently accepting donations of books for both the school library, as well as classroom libraries. We are truly grateful for all that we have received and sincerely appreciate all of you who have donated. If you would like to donate, please remember that we can only accept new or like-new books at this time. We have several books that we could not accept due to damage from moisture or mold on books that were stored in basements and attics.

Thank you in advance for your cooperation!
