December 14, 2020

This letter is a follow up to the notice sent via email and school notification APP on Wednesday, December 9, 2020 regarding our district pivoting to a REMOTE LEARNING plan. At the Board of Education meeting held on December 8, 2020, it was determined our school district will extend the REMOTE LEARNING plan through January 18, 2021, to ensure the health and safety of students, staff, and all families of Lakehurst Elementary School. This means all students will attend school virtually through live instruction with their teachers. We understand the hardship this presents to many of our families and would only make this decision if absolutely necessary.

Lakehurst School District would like to continue to stress to our students, families, and staff, the importance of continuing to follow the health and safety guidelines. This is a cooperative effort which helps maintain a healthy and safe environment for everyone. If your child is sick with COVID-like symptoms or has been tested for COVID-19, you must call the school and speak with the school nurse. As a reminder, please continue to follow the Ocean County Health Department and Center for Disease Control & Prevention (CDC) recommended safeguards such as:

- Stay home when you are sick or not feeling well
 - Practice social distancing-stay at least six feet apart
 - Washing hands often using soap and water for at least 20 seconds
 - Cover when you cough and sneeze
 - Wear a protective face covering when you are out in public
-
- **Meal Program:** Meals can be picked up at the Cafeteria Window (Pine Street) between **10:30 AM - 1:30 PM**
 - **Mondays**: Includes Breakfast for Tuesday, Wednesday, and Lunch for Monday, Tuesday
 - **Wednesdays**: Includes Breakfast for Thursday, Friday, Monday and Lunch for Wednesday, Thursday and Friday
 - Students are required to attend their classes virtually each day this week. Students must log on at 8:00 AM. Attendance will be taken daily by 8:05 AM.
 - REMOTE LEARNING Plan includes LIVE INSTRUCTION: Schedules will vary per class for students in grades K through 8. Please be sure to log on to the child's Google Classroom for instructions. Teachers will instruct your children in Real-time. This allows us to provide continuity of instruction for all learners. Prek staff has emailed parents their schedules.

We appreciate your cooperation and understanding.

Sincerely,

Loren B. Fuhring
