Dear Parents/Guardians,

The PARCC (Partnership for Assessment of Readiness for College and Careers) is the state assessment being administered throughout New Jersey. PARCC is based on the core belief that assessment should work as a tool for enhancing teaching and learning. These assessments are aligned with the [Common Core State Standards \(CCSS\)](#) and ensure that every child is on a path to college and career readiness by measuring what students should know at each grade level. For more information, please visit <http://www.state.nj.us/education/assessment/PARCCFAQ.pdf>.

Lakehurst Elementary School is required to administer the PARCC assessment to all third through eighth grade students as determined by the New Jersey Department of Education. The testing window will begin on April 8, 2019 and continue through approximately May 28, 2019.

The New Jersey Student Learning Assessment-Science (NJSLA-S) will be administered to all fifth and eighth grade students in Spring 2019. Information regarding this assessment and testing dates will be provided as it becomes available.

Respectfully,

Mrs. Stephanie Rucci
Vice Principal
