Dear Parent/Guardian:

It has come to my attention that there are concerns regarding family pets being brought onto school district grounds. As per our Board Policy #7490, pet animals are not permitted on school district grounds, except by express permission of the building Superintendent. Without such permission, a pet owner who brings or permits his/her animal on school grounds has committed an act of trespass. The Superintendent shall report to the appropriate municipal authorities any pet that runs at large on school property and any pet owner whose animal is present on school property is in violation of this policy.

Please note that this policy is for the safety of your child(ren). A copy of this policy is available upon request. Please do not hesitate to contact me if you have any questions. Thank you in advance for your cooperation.

Sincerely,

Mrs. Loren B. Fuhring
Superintendent
