Dear Parents/Guardians,

The NJDOE (New Jersey Department of Education) requires each school district by state statute (N.J.S.A. 18A:7C-6.6) to notify parents and guardians of all statewide student assessments. At this time, the Department of Education has not set testing timeframes for the NJSLA (NJ Student Learning Assessments) for the 2020-2021 school year.

As our school district receives updates from the NJDOE, we will keep you apprised of the information.

Respectfully,

Stephanie Rucci
Vice Principal
