## Community Tree Decorating and Lighting Friday, December 13, 2019

Join us at the Community Center, 207 Center Street, for an evening of sharing and celebration!

Come and make an ornament to decorate our community Christmas tree and one to take home! All the supplies will be provided. Doors open at **5:30 pm**. Pizza and drinks will be served. The tree lighting will take place at **7pm**. Make an ornament (or two) and stay for the beautiful finale (hot chocolate, cookies and a special guest)!

We will also be collecting non-perishable food for distribution to those in need.

Everyone is welcome! Young and old, come share in the joy of the holiday season with your friends and neighbors or come out and meet new ones!

For more information, call Boro Hall at 732-657-4141.
