Dear Parent(s)/Guardian(s):

In our vigilance to ensure the safety of our children we ask parent(s)/guardian(s) to adhere to the Lakehurst Borough ordinances and Lakehurst Board of Education policies regarding dropping off and picking up students in front of the school's main entrance and the surrounding entrance/exit doors of the building.

There are specific signs designating areas for crossing over to and from the school grounds safely. If students are dropped off in the morning or picked up in the afternoon, **parking on the street** is available for you. However, parents must not park, drop off or pick up within **THE NO DROP OFF ZONE** (which is indicated by the yellow curb.) Parking within the fire zone or bus drop off zone, and parking against the flow of traffic is not permitted under the Lakehurst Borough ordinances.

It is also very important to remember, **STUDENTS MAY NOT CROSS UNION AVENUE IN FRONT OF THE MAIN ENTRANCE.** This is not safe or legal to do. For the safety of our children, Crossing Guards are posted at the corners of the school along Orchard Street, and these are the only locations students are permitted to cross.

Finally, all walkers must use the designated routes established by the Lakehurst Police Department. Anyone crossing Route 70 should cross at Maple and Orchard Streets. Crossing Route 70 anywhere else is in violation of school policy and State law. Students should not cross the Eisenhower Circle for any reason. This is not a designated crossing and is extremely unsafe.

At Lakehurst Elementary School safety is our highest priority. If you have any questions, please contact me at (732)657-5741.

Thank you for your cooperation.

Sincerely,

Stephanie Rucci
Vice Principal
