Dear Parents/Guardians:

On Friday, February 3, 2017, the N.J. Dental Association will hold its annual “Give Kids A Smile!” event. This is a free program to help children who cannot otherwise afford to see a dentist. It is held one day a year and ensures access to quality dental care for all children ages 12 and under. Services rendered include cleanings, screenings, x-rays, fillings, extractions, and fluoride treatments.

Information on this program is available online at www.njda.org/gkas.

Parents/guardians must call the selected location (please see below) and make an appointment immediately, as appointments fill up extremely fast.

All children must have a parental consent/medical history form filled out and signed at the time of treatment. Treatment will not be delivered without a signed consent form. **It is the parent’s responsibility to transport the child to the selected location.**

Participating Ocean County dentists are:

- Ocean Health Initiatives - 732-719-9026 (offices are in Toms River, Lakewood & Little Egg Harbor)
- Ocean Dental Expressions, Lakewood - 732-363-4477
- Ocean Pediatric Dental Associates, Toms River - 732-473-1123 and in Manahawkin 609-597-9195

If you have any questions, please call me at 732-657-5741.

Thank you,

Mrs. Hess
School Nurse
