Dear Parents/Guardians of 6th, 7th, & 8th Grade Students,

As of today, your child has not completed the community service requirement mandated by the Lakehurst Board of Education Policy #5469. In an effort to assist your child in meeting this requirement, there was a grounds clean-up scheduled at Lakehurst Elementary School for tomorrow, May 15, 2018 from 3:00--6:00 p.m. However, due to the forecasted storms the clean-up has been changed to Thursday, May 24, 2018 from 3:00--6:00 p.m. The deadline for providing documentation of community service and signed completion of hours forms has been extended to June 1, 2018. It is strongly suggested that students seek out community service hours outside of the school offering, due to the possibility of inclement weather occurring again. A rain date will not be scheduled for the May 24th clean-up.

Please note that 8th grade students who have not completed this requirement will not walk at graduation on June 21, 2018 and will not receive their graduation certificate of promotion until proof of hours is provided.

A permission slip for May 24, 2018 school grounds clean-up is provided below. The permission slip must be returned by Friday, May 18, 2018. There will be no exceptions made for anyone to participate after that deadline.

Please let me know if you have any questions.

Sincerely,

Loren Fuhring
 Superintendent
